

GENERAL & MINING ENGINEERING

PWG King & Sons Pty Ltd (Kings) is a long established & progressive General Engineering and Mining Equipment manufacturing company which has its head office, main design, manufacturing and overhaul facility based at Rutherford in the Lower Hunter Valley with a further manufacturing and repair facility established at Lithgow.

Our success with recent contracts has produced a requirement for additional resources to ensure the company continues to provide excellent service and support to our customers as well as continuing to focus on the expansion of the business into new markets.

We are currently seeking applicants for the following positions at Rutherford in the Lower Hunter Valley:

• **FITTERS**

Essential criteria:

- Mechanical trade qualifications
 - Experience in the service & repair of underground mining equipment
 - Sound understanding of OHS requirements
 - The ability to work in a team environment
- Hydraulics experience would be an advantage.
Day and afternoon shift positions are available.

• **2nd & 3rd Year Apprentice Fitters**

• **3rd or 4th Year Apprentice Boilermaker**

Excellent conditions and above award wages apply to these positions.

To apply go to mycareer.com.au/8290679

Kings is a part of the Bloomfield Group of Companies and is an equal opportunity employer.
