	Fencing work completed on 50 Ha of established		
	rehabilitation areas for grazing purposes and an		
	additional 27 cows purchased. A general discussion		
	was held regarding Bloomfield mine rehabilitation		
	objectives and statutory requirements for the		
	rehabilitated area. Some members would prefer the		
	land was re-established with trees rather than pasture		
	lands. It was noted that Bloomfield is not the		
	landowner.		
	landowner.		
	Heritage Conservation Management Plan being		
	prepared for the Buttai Cemetery (Elliot Family) and		
	Buttai Reservoir.		
	Buttur Reservoir.		
	A further 5 Ha of rehabilitation expected to be		
	completed in next few months.		
	General Business		
	BD provided an outline of operations currently and for		
	next 6 - 12 months. Mining operations are moving		
	further northward and dumping to continue up against		
	southern high wall. Existing tailings dam expected to		
	be in use for about 12 months then tailing to be		
	disposed of within the mining void.
